DUBAI from 11th to 14th of January

2010, new year same story for MG.

Again another great exhibition for the Italian Company in Sharjah. Three machines sold this year: an MH 350H, an MH 365I and an MH 332E (exposed in the booth).

"The market in UAE doesn't seems to be slowed down, in fact a lot of Investors came to visit us, looking for information and for investments in the metal forming field." This is the opinion of the President of MG, Mr. Mauro Roccia.

Again MG is strongly on top of the World Market.
